KNOWING God's Will!

"As Marion brought forth the teaching on the 'Knowing God's Will for Your Life' Conference it broke through wrong mind-sets I had gained through how I had perceived things.

I realised I'd believed that I had messed up & that I was no longer in God's plan for my life & was just living with regrets that wouldn't go away. Now I know that God uses everything we go through & gets us where He wants us to be, maybe not as quickly, but He doesn't let us go. I had let doubt steal my peace. I found the teaching about common sense & accountability life-changing. I decided to put to flight a few things that had been stealing my peace & making me double-minded as my heart tried to rule my mind (without common sense I might add!) I've experienced a deeper prayer life & I'm getting into God's presence in worship at home more & I know HE KNOWS BEST! I just want the best He has for me!" Anon

"I felt this conference was so practical - very helpful in preparing us to fulfil God's will in our lives.

Pastor Marion had much to say that was very helpful. We must have integrity of heart & keep our common sense. We don't need to be super-spiritual but use the common sense God has given us. If we can be practical then the world will see that Jesus is relevant to our lives.

I have felt the presence of God many times before but on this weekend I really experienced the beauty of His presence. The worship was such a beautiful experience." BR Wilts

My Problem or My Sin?

LAST SOZO'S MESSAGE ON CASSETTE, CD OR DVD

Many of us say:-

"I have this problem..." If we said, "I have this SIN" - perhaps we would DEAL WITH IT! Marion

"Marion shared the most relevant message for the modern age. In a western world where many social ills are analysed in terms of 'problem behaviours', she shed the light of the Word on a raft of deception.

While we see things as problems we'll have a very limited success rate of breakthrough. But, as we see things as our sin, the goodness of God will lead us to repentance & liberty! This message is a must for us all. There is hope in Jesus if your 'problem' is not going! Listen to this one everyone, don't miss it or shelve it." NW Berks

FOCUSING ON COMPLETE SALVATION

By Derek Prince

Salvation... is more than forgiveness of sins.

It's much more than a ticket to heaven when we die.

As wonderful as these gifts are Derek reveals that there's even more God-given benefits to be found.

"I believe that many Christians who have experienced salvation have not experienced all that God included in the salvation He has provided.

Find out how you can appropriate all the blessings of complete salvation!

"This book is a tremendous blessing. If I'd read it 33 years ago when I was first saved it would've saved years of frustration & struggle to understand & apply God's Word to my life." DS Hants £3.99 + £1.20 p&p
