Come Into the Real World!

Recent Testimony into the office:-

"I can't thank you enough for this recorded message that I have just listened to..I've heard NOTHING like it before in all my 33 years as an evangelical charismatic Christian - but it makes perfect sense, even the last bit about the wrongness of role play. This from an actress!

The ability of music to take the mind away from God's real world & confuse is also a big revelation & very relevant to us as a family. Fantasy, & the damage it does is also very relevant for those suffering with autism. They cannot understand the REAL world so they search for/create one they can control which alienates them further. Now I have the teaching to help me pull ours out into reality & love. I'm getting rid of certain toys, films & CDs now that I can see what damage they can do." Anon

Get Your Roots Dealt With

"Following your ministry to me & watching your Jewish Roots DVD I was delighted to go back to my church & feel at ease & not anxious at all.

My husband & I later went to a family meal & again I felt at ease...not on the back foot!

My husband watched part of the Jewish Roots DVD intently & began sharing his own thoughts about it all. We are at last connecting on our way to minister to others.

ALSO my physical struggle has greatly diminished!

At the moment typing this my hands are completely fine & that is a first! With a very grateful heart...thank you." Anon

Northern Ireland

We regret to inform you that our forthcoming ministry visit to Northern Ireland

MAY 10th - 14th HAS BEEN CANCELLED

Please see our website for details and inform as many people as you can. Many thanks.

Ohhh...Do We Have To Leave?!

"Thank you for the wonderful welcome on Sozo Sunday, it was a joy to be with you all, in His presence. My two granddaughters had a wonderful time & cannot believe they were not bored in church!!!!!! In fact we had to drag them away at 7pm (meeting started at 2.30!) as my friend had to go. She was refreshed & ready to face the future with a new peace and strength.

As for me I am fine & renewed in my determination to go on with the way the Lord pulls on my heartstrings & makes my spirit sing." Anon

Gift Aid: Ring us if you have any questions

"When the basic rate of income tax went down from 22% to 20% in 2008, the government introduced a 'transitional relief' to allow charities to continue to claim Gift Aid at the old rate for 3 years.

This relief came to an end on 5 April 2011. The result is our Gift Aid income will decrease by 11%. For us as a ministry this will amount to about £6,000 a year less income.

How can I help?

If you are able, please consider increasing your giving to SMI by 3.2%.
If everyone did this we'd recoup our £6,000." Richard Cary: Treasurer

Our H(e)aven On Earth For 9 More Years!

We praise & thank the Lord that the lease for Awbridge Pavilion has been extended to us for a further 9

years. It has become our familiar summer venue for fellowship or relaxing days through the seasons celebrating our Lord & life! We're thrilled, relieved & thankful.

IT IS WELL WITH MY SOUL

When peace, like a river, attendeth my way,
When sorrows like sea billows roll;
Whatever my lot, Thou has taught me to say,
It is well, it is well, with my soul.

Refrain

It is well, with my soul, It is well, with my soul,
It is well, it is well, with my soul.

Tho' satan should buffet, though trials should come
Let this blest assurance control,
That Christ has regarded my helpless estate,
And hath shed His own blood for my soul.

My sin, oh, the bliss of this glorious thought!
My sin, not in part but the whole,
Is nailed to the cross, and I bear it no more,
Praise the Lord, praise the Lord, O my soul!

For me, be it Christ, be it Christ hence to live:
If Jordan above me shall roll,
No pang shall be mine, for in death as in life
Thou wilt whisper Thy peace to my soul.

But, Lord, 'tis for Thee, for Thy coming we wait,
The sky, not the grave, is our goal;
Oh trump of the angel! Oh voice of the Lord!
Blessèd hope, blessèd rest of my soul!

*Words: Horatio G. Spafford, 1873.
Music: Ville du Havre, Philip P. Bliss, 1876*

This hymn was written after two major traumas in Spafford's life. The great Chicago Fire of October 1871, which ruined him financially. Shortly after, while crossing the Atlantic, all four of Spafford's daughters died in a collision with another ship. Spafford's wife Anna survived and sent him the now famous telegram, "Saved alone." Weeks later, as Spafford's own ship passed near the spot where his daughters died, the Holy Spirit inspired these words. They speak to the eternal hope that all believers have no matter what pain and grief befall them on earth.

The King James Bible

This summer, The People's Bible national tour will take the Bible back to Britain's high streets.

In the year of the 400th Anniversary they aim to reconnect the British public with the Bible and create a unique legacy for future generations - a hand-written edition of the Bible.

At venues across the country, people will be able to write two verses and make their mark in history. To make this exciting project happen, they need help. Volunteer now to help make The People's Bible a reality!

This is unique because everyone who chooses to write a verse will be asked to do so with a digital pen. So, there'll be a new paper copy of the Bible and also an online archive of everyone's verses you can show to your friends.

The project will begin at Edinburgh Castle on 19th June 2011, the anniversary of the birth of King James I at the Castle in 1566. It will end at Westminster Abbey on 16th November 2011 at a service attended by Her Majesty The Queen.

Google 'The People's Bible' to find out more!

"People used to have it in their homes and read it, and then they had it in their homes and didn't read it and now they don't have it in their homes. So it's about due for a revival." Frank Skinner

Happy birthday lads!

IT'S NOT ABOUT THE MUSIC

By Dan Lucarini (Best selling author of: Why I left the Contemporary Christian Music Movement)

A Journey into Music

How should we worship God? This question has been debated & disputed since the beginning of Christ's church. We live in a Christian age where music performance is the focal point & given a large share of time & energy at most worship services. *But what if we're missing the point entirely?* What if music is not the main thing about worship? In this book, Dan Lucarini, a former contemporary worship leader, examines the subject of worship from a biblical perspective. He shows how far much of what we call worship today falls short of that ideal, & urges us to reconsider our priorities by putting God back at the centre of all we do.
