Music is spiritual and has an effect on the soul in a unique way.
 That's why we listen to it!

Music can touch us very deeply, but what effect does it have on our soul?

Gentle, soft, loud, busy, relaxing music can all have different roots.

The music you love..... Is it edifying you or binding you up?

Come, hear the teaching and decide!

So many 'activities' being embraced today are spiritually not as they appear.

Many people are unaware of this and so many pursuits are being presented to us as ways to relax, roads to health, techniques to safeguard us or our children and so on.

Have we been presented with something with a hidden spiritual agenda?

Topics to include: Martial Arts, Boxercise, Pilates, body combat etc.

A GREAT OPPORTUNITY TO RECEIVE WISDOM AND COUNSEL and/or TRAINING ON THESE SELDOM SPOKEN OF TOPICS!

Enclosed is your booking form or book online at www.sozo.org

A DAY OF DELIVERANCE 2

"....To set at liberty them

that are bruised" Luke 4:18

Saturday, November 12th 2011

9.30am until 5pm

Marion Daniel and Team
 Sozo Ministries International

Day Conference at Winchester Vineyard Church

Sozo Ministries International is a healing and deliverance ministry. It's what God has called us to do!

We have been here ministering for 28 years and have seen some wonderful breakthroughs and fruit in people's lives.

In that time we have amassed a lot of detailed knowledge and wisdom on popular subjects and sometimes not so popular subjects.

This day conference is for those who want to move on. It is a follow-on conference from 'A Day of Deliverance' which deals with more generalised occult activities and similar.

A 'Day of Deliverance 2' goes deeper into a variety of other subjects and topics. You do not need to have attended the first conference to attend this conference.

There will be corporate teaching and ministry on the day as well as the opportunity to break into smaller groups for topics that will be more specific, with more time given to teaching and prayer ministry on that subject. An example of what we might offer on the day.....

ALTERNATIVE & COMPLIMENTARY MEDICINES

So many 'medicines' and 'practitioners' are available now to help us 'get well'. But are they what they seem or is there more involved than just taking a mineral, herb or therapy?

Is there a spiritual root and if so what is it?

Come & find out!

Great opportunity too for those who want to learn for helping others.

CHURCH BRUISING OR BATTERING!

We like to think we experience love and tender nurturing and that the church is full of happy sheep.

In reality many sheep and leaders are carrying around bruises and scars from years ago and/or even today are experiencing harsh treatment.

Why is there so much heartache from each other?

Scripture has much to say on this subject and there is a great need for prayer and healing.

Pastors - Come! Leaders - Come! Sheep - Come!

Be free to breathe again!

SPIRITUAL SNARES & WEBS

Unbiblical 'Christian' roots in your ancestry can hold you back from receiving the fulness of your spiritual life.

Doubt your salvation?

Fear of man?

Guilt & shame?

Prayers that have no power or effect?

Confusion?

***Not Sure?
Feel free to call

You could live in the liberty the Lord desires for you.

Generational doctrinal errors hold you back and need severing!
