"Those of you who are old enough to remember, will be able to recall that your car had a starting handle. This handle was used to CRANK IT UP when it wouldn't start! This day has a starting handle - The Word of God - CRANKING IT UP - with each person applying their hearts to allow love to get their marriage started on a new footing and keep it going!"

9.30am until 5pm

John & Becky Penberthy-Smith and Team
Sozo Ministries International

Day Conference at Winchester Vineyard Church

MARRIAGE M.O.T.

with John & Becky Penberthy-Smith

We all put our cars through an MOT test which is a compulsory annual test of older motor vehicles for safety and exhaust fumes. But what service are we giving our marriage which is far more important than our cars?

Come and pour fresh oil into your marriage to make things even better than before, through a fully interactive day in the Word of God and corporate ministry.

Ephesians 5:21

“Submitting yourselves one to another in the fear of God.”

Topics to be covered include;

- Marriage Covenant Refresher
- Rekindling the Vision
- Loving the Differences
- Overcoming Bitterness and Hardness of Heart
- Breaking the Power of Familiarity

WHO SHOULD COME?

Anyone who is married or engaged to be married.
Whether you have been married one day or sixty years!

The teaching is suitable for saved/unsaved people whether attending alone or together and also those wishing to gain knowledge for their future lives or ministry.

TESTIMONY “John & Becky's great gift is honesty. We have found them a safe place to go, to get things out in the open. They are able to be honest about their own marriage not being perfect, which has helped us to be honest about our own. On several occasions they have been able to discern key issues, and have helped us put underlying frustrations in our marriage into words, which then enables us to forgive, and grow up in our behaviour. But most helpful of all, they help us to not take ourselves too seriously, and when all is out in the open, to laugh at our circumstance, and wonder why we hadn't got it all out in the open sooner!” Anon
