## "God Made Me Whole Again!"

A superb testimony from a mother. "Thank you so much for the ministry I received at, A Pierced Heart & Soul Seminar in January. God did a WONDERFUL work in my heart. It was as if all the pain and hurts I was carrying were taken away and the space

left was filled in - I really did feel like I was made whole again. Over the past couple of months as I have revisited those past hurts, I simply find them gone and instead of feeling pain I have a wonderful feeling of joy and peace. I have been able to worship with a new sense of freedom and feel a weight lifted from me. Thank You Lord..."

### "A Pierced Heart & Soul" 2 CDs

IF YOU'RE A MOTHER with heartache over your children (however old they are) past or present, you too could receive God's healing touch with the ministry on these CDs. God's Word reveals that Simeon spoke to Mary, "Yea, a sword shall pierce through thy own soul also" Luke 2:35 referring to pain she was to endure watching her son suffer. There can be deep pain from a 'spiritual sword' piercing your soul as you watch your children suffer or backslide. Would you or another mother you know be blessed by these? £7.00 + p&p

## What GOD'S WORD has Done!

*Lovely testimony from a couple...*

**Husband...** "We're so thankful God led us to you as we were quite desperate. All looked 'ok' on the outside but inside it really wasn't. We really met with God here. We are so thankful for your diligence with His Word & really holding fast to it. We've been believers for a while but your enthusiasm to hold onto God's Word & APPLY it has been so liberating for us. You kept encouraging us to listen to your CDs with the preaching & ministry of His Word on to pave the way for prayer... to study & just keep going back to the Word... The more we did that, the more stuff we got free of & the more good stuff happened in our lives! We're so blessed & want to honour you & what He is doing here."

**Wife...** "I feel like we've been parented really well in the Word... Great parents give you tools to go & do life on your own, not hold your hand the whole time. You've helped us to grow up & mature & we get ridiculously encouraged here. We also get a 'slap on the wrist' when we need it. Real love. I feel like I have a utility belt & I get an extra tool every time to be equipped to do life with the Word! Thank you."

## DEPRESSION GONE!

"My husband & I came for ministry on your first 'Care & Prayer' Day in January. You were spot on with everything & things are really changing at home. It's wonderful to see my husband excited about the Word again, & you were so right about the root cause of the depression. It just lifted off me during our time together & hasn't been a problem since. I have hope back, the pain in my body has certainly decreased & I have more energy. I praise & thank God!"

## THE NEW MUGS STORY!

"We're so glad you are enjoying our new mugs. We've been using quality disposable cups for years which are expensive, do not recycle & clog up bins. Now we've settled in our new home, it's time for change. But what is the story?

You may remember our dear old dad, George, used to do the book-keeping for Sozo Books & catering. When he was

winding his activities down, he gave me £200, which was the remaining profit from the catering on Sozo Sundays. He told me to keep it safe & use it for any catering needs. Well, yes, you've guessed it! I've used it to purchase the mugs.

Can you picture his face? I can! He'd be so chuffed to know his money has bought something really nice for everyone & perhaps even remember him by. So next time you have a hot drink, give the Lord a 'thank you' for his life & his business acumen, that helped train us & also helped us every day to run this ministry. Thank you Lord, for great Dads. Enjoy the mugs!" Alan
