"To continue our vision of

'Bringing Wholeness To The World Through Jesus'

we have decided to run a series of adverts On Revelation TV to promote our Spring Conferences.

Most of our advertising is through personal recommendation/word of mouth, so TV advertising is an exciting new avenue, especially if it works!

There will be about one hundred 60 second adverts, going out in February & March.

Do stand with us in praying that we reach The right people & that the Lord will lead." Alan

The Best Walk Ever!

"I played your recorded conference messages which minister to people suffering with M.E.

When you prayed & took authority over the M.E. I was able to get up & walk & progressed to walking 4 miles!" Anon

(These messages are on a Cassette or CD set titled M.E. & Other Related Conditions Available today or online/mailorder).

Breaking Curses Changed This Man's Life

"A few years ago my husband & I with our son attended your Freedom from freemasonry Conference.

Our son had severe mental problems & had been diagnosed with Asperger's Syndrome.

After the Conference we saw a marked improvement & I learned to take authority in Christ over demons & saw continuing deliverance in him. He was able to get work.

Then, two years ago he met a lovely Christian girl & got married, something we could not have thought possible a few years ago.

We were very pleased to come to the conference, and know God did a work in us & is continuing as we abide in Him." Anon

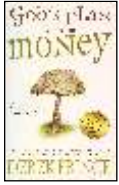

Obedience Releases God's Blessing!

Testimony: "Thanks for your help we received last year about tithing. My husband & I were living in debt with much anguish & worry as his business had been ruined in the 2007 economic crunch. We weren't tithing properly either.

I got the little Charles Capps Booklet from you, 'God's Creative Power for your Finances?' & applied its truths. I also listened to John & Becky's message, From Poverty to Prosperity £1.25 + (available on CD today or mailorder/online. £1.05 p&p & spoke with you on the phone.

We decided to tithe & you sent us a copy of Derek Prince's book, 'God's Plan For Your Money'. Within weeks my parents VOLUNTARILY gave me a large sum of money as part of my inheritance (which was more or less my entire debt, although they didn't know this). Then, my uncle decided to do the same but his amount cleared my husbands debt. We're tithing & glad to do it now!" Anon

Hip! Hip! Hurray? **NO!**

WHY WE SHOULD STOP SAYING THIS...

Hip, derives from the initials of the Latin words, 'Hiersolymis est perdita', 'Jerusalem is destroyed.' German knights, shouted 'hip, hip!' when they hunted Jews in the persecutions of the Middle Ages. 'Hurrah!' is a corruption of the Slavonic word for Paradise (hu-raj) shouting 'hip! hip! Hurrah!' You are shouting: 'Jerusalem is destroyed (the infidels are destroyed) & we're on the road to paradise!'

In addition, "HEP" - an acronym for the Latin "Herusalem est pulta", Jerusalem has fallen. This phrase was used at what later became known as the "hep hep" rallies, gatherings really, as a way of announcing victory against the Jewish people. Freemasons sing, "We're All Good Brothers / Hip Hip Hurray"?

A NEW YEAR -
A NEW LOOK!

"Following the launch of the impressive new Sozo website www.sozo.org we felt we needed to upgrade the Sozobooks site & bring the two closer together in visual appearance. Web design & technology moves quickly too, so there's been a number of changes. Do tell us what you think." Alan

A GOOD RECEPTION AWAITS YOU! On Sozo Sundays many of you will have shared the frustration of us not being able to get a signal on the credit card terminal on the bookstall. To overcome this we've changed to a new company for card transactions & have a NEW machine. The upshot? You 'should' have no further bother & soon we'll also be able to offer you cashback when making a purchase. Until this is established we've had to switch off 'other currency' transactions on the sozobooks website. Progress.
